Swiss Federal Institute of Technology Zurich

Virtual Reality Project
Project submission agreement

ICVR, ETH Zurich

April 4, 2017

Please fill this form and submit it alongside the digital material (code, assets, documentation, etc.) as a single zip file.

1 Declaration of Originality and Permission to Use

Hereby, I confirm that I am the sole author of the following work and all its components, except those included in in Section 2 (List of Third Party Components) on page 2 of this document.

Title of work (in block letters):

DEFEND THE CASTLE

Authored by (in block letters):
The name of all group members are required.

	Last Name	First Name	Signature
1	Guralnick	David	
2	Hahner	Martin	
3	Panzuto	Dario	
4			

With my signature, I confirm that:

1. I have not committed any form of plagiarism (as described in the ”‘Citation etiquette”’ information sheet).

2. I have respected the rights of copyright holders of the third party components listed in Section 2 (List of Third Party Components) on page 2 of this document.

3. I give permission to the ICVR group at ETH Zurich to use the results of this work for research and educational purposes (e.g. on their website, for demo, on their youtube channel, ...).

2 List of Third Party Components

Please indicate all third party components you have used in final version of your project, including, but not limited to, libraries and assets (models, textures, ...).
